Banks Lane Infant & Nursery School is an inclusive school where focus on the well-being and progress of every individual is of highest importance and where all members of our community are of equal worth. The Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups. Our school is committed to not only eliminating discrimination, but also increasing understanding and appreciation for diversity.

At Banks Lane Infant & Nursery School our core values of collaboration, effort, excellence and respect are woven through everything we do. Personal and collective success and excellence are achieved where the uniqueness of every individual is realised. Creating a prejudice-free environment where individuals feel confident and at ease is a commitment of the school. This environment will be achieved by:

- Being respectful.
- Treating all members of the school community fairly, as individuals and with dignity.
- Developing an understanding of diversity within our community and beyond.
- Adopting inclusive approaches.
- Adopting an inclusive curriculum that is accessible to all.
- Encouraging compassion and open-mindedness.

Our core values are woven through our high quality and rich curriculum. The context of our school and its community is at the heart of our work as we build on existing strengths and relationships while bridging gaps to create the best start in life for our pupils. Strong focus is placed on healthy lifestyles, experience of arts, religion and cultures, a language rich curriculum, the development of resilience and a value of hard work.

We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding to help ensure that pupils learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination, and instead promotes inclusive attitudes. We will also respect the right of parents to withdraw their children from classes which pose conflicts to their own beliefs.

Our approach to equality is based on the following key principles:

- All learners are of equal value;
- We recognise and respect difference;
- We foster positive attitudes and relationships and a shared sense of cohesion and belonging;
- We observe good equalities practice in staff recruitment, retention and development;
- We aim to reduce and remove inequalities and barriers that already exist;
- We have the highest expectations of all our children and staff and promote personal excellence.
