

## Banks Lane Infant & Nursery School

### Reading Week!

**Monday 28th February 2022** is the beginning of our 'Reading Week' at Banks Lane Infants where we will be celebrating all things reading!

We will be;

- Reading, hearing and sharing lots of stories and non-fiction books.
- Celebrating **World Book Day** on **Thursday 3rd March** by dressing in silver!
- Taking part in our 'Stop, Drop and Read'.
- Having a reading based Celebration Assembly.

We would like you to celebrate our Reading Week at home too by creating your own 'book review' video!

By **Friday 4th March** please can you upload a video (filmed in landscape) to Seesaw of your child talking about their favourite book; a book review. It needs to be less than 5 minutes long and include why they like the book and why they think others should read it.

These 'book review' videos will be uploaded by your child's class teacher to the class blogs on Seesaw, so that everyone in the class can enjoy them! (If you do not want your child's video uploading to the class blog please add a comment when you upload the video for the teacher to see). We can then watch them in school during Reading Week too.

Thank-you for your support,  
Mrs Rogers (English Lead)
