

Universal Free School Meals

You may be aware that the Government has announced that, from September 2014, funding will be provided to enable schools to offer a free lunch to every infant age child (reception, year 1 and year 2)

Pilot projects have found that universal free school meals can have significant benefits both for individual children and for the broader life of the school.

Stockport Council fully supports the initiative and encourages families to take up the free lunch offer which will provide the children of Stockport with a healthy and nutritious meal.

Further information about the school meal service that is available can be obtained after the Whitsun holiday from your child's school website or will be made available on induction day.
