What can you see in Autumn?

A selection of Nursery Rhymes

Communication & Language Development

Developing listening skills, engaging in stories, songs and rhymes.
Developing a wider vocabulary.

Personal, Social and Emotional Development

Building relationships and beginning to talk about feelings.
Using resources independently.

Physical Development

Developing large and fine motor skills and personal hygiene
Develop balance and movement.

Literacy Development

Hear general sound discrimination
Begin to develop the five concepts about print.

Mathematics

Matching, sorting and comparing objects.
Recite 1-5 and beyond
Recognise 1-3 without having to count.

Understanding the world

Explore features of ourselves.
Use our senses to explore our environment.

Expressive Art & Design

Early portrait skills.
Singing songs and playing instruments.

We are learning how to be independent, self register, use the toilet, put our coats on and zip them up.

We are making new friends, joining in and sharing with others, playing together and following class rules.

We are exploring our environment. We are making observations and drawing pictures.
